FY 2016

# FISHER-TITUS CANCER PROGRAM HURON COUNTY HEALTH ASSESSMENT

## FISHER-TITUS CANCER PROGRAM

If you or a loved one is dealing with cancer, it's important you have a facility close to home that will provide everything you need for the best possible treatment, recovery and comfort.

Fisher-Titus Medical Center's Cancer Program has been Accredited by the American College of Surgeon's Commission on Cancer since 1989 assuring our patients that they are receiving the highest quality cancer care.

The Oncology & Hematology Department at Fisher-Titus serves the community with board certified physicians and experienced nurses who are specially trained in the treatment of oncology patients. Cleveland Clinic Cancer Centers-North Coast Cancer medical oncologist-hematologists and radiation oncologists are available for patient treatment and follow-up at the Fisher-Titus Cancer Care Center.

## HURON COUNTY HEALTH ASSESSMENT

In 2014, **11%** of Huron County adults had been diagnosed with cancer at some time in their life, increasing to **25%** for those over the age of 65.
